**Subject: Clarification between S&S POWER SWITCHGEAR LIMITED, CHENNAI and Switchgear and Structural  
(S&S, Hyderabad)**

Dear All,

During our customer visits, we have encountered some misconception where Switchgear & Structural (S&S Hyderabad) is being confused and assumed, as the same company as **S&S Power Switchgear Limited, Chennai**. This letter is being issued specifically to clarify this confusion.

**S&S Power Switchgear Limited**, founded in 1975 in Chennai, continues to focus on Disconnector Business through its subsidiary, **S&S Power Switchgear Equipment Limited**, from its facilities in Chennai and Puducherry (Pondicherry). **S&S Power, Chennai** is a well-reputed organisation providing complete switchgear and engineering solutions. **S&S Power** has an installed base of more than 40,000 Disconnectors across the world. With products installed and in-service in more 40 different countries. We have a sister concern organisation by the name of **Acrastyle Limited**, in Ulverston, United Kingdom.
