

## NSDC partners with HDFC Life for boosting entrepreneurial skills

Chennai, Feb 15: To support self-employment and augment entrepreneurial opportunities, National Skill Development Corporation (NSDC), working under the aegis of Ministry of Skill Development & Entrepreneurship (MSDE) has entered into a partnership with HDFC Life, one of India's leading life insurers, under the Skill India Mission.

As part of this collaboration, NSDC will support HDFC Life in inducting trained life insurance advisors and strengthening the last mile reach. The partnership will provide training to candidates undergoing the IC38 examination conducted by the Insurance

Regulatory and Development Authority of India (IRDAI) and drive skill enhancement.

Ved Mani Tiwari, CEO, NSDC and MD, NSDC International, said, "NSDC endeavors to create a sustainable and enabling skill ecosystem. This partnership with HDFC Life is an important step to strengthen the existing talent and upskill them in the insurance sector, as per the market requirements. Our focus on skilling and upskilling India's youth will not only empower its workforce but will also create new booming sectors in the economy. This partnership envisions huge growth potential for both organizations and will serve as a

great opportunity for the potential candidates to become job providers from job seekers."

Suresh Badami - Deputy Managing Director, HDFC Life said, "Our partnership with NSDC will aim to impart skill and give an opportunity to individuals enabling them to build their livelihood."

This partnership intends to facilitate livelihood creation and promotion of entrepreneurship opportunities for financial and social inclusion. In addition, to create wider awareness about the program under this collaboration, NSDC and HDFC Life will organize various digital and on-ground initiatives.

## Deep Dive into theme of 'Engineered in India'

Chennai, Feb 15: Entrepreneurship in India has become a leading trend, which has evolved over the decades. Many aspiring entrepreneurs often look out for guidance from industry leaders while embarking on their own entrepreneurial journey.

Aiming to understand the brain behind the book, Engineered in India: From Dreams to Billion-Dollar CYIENT, MM Murugappan, Chairman, Carborundum Universal in conversation with the author of the book, Dr. BVR Mohan Reddy addressed the audience at an event organized by the Madras Management Association (MMA).

The two dived

deep into the theme of the book - entrepreneurship and Dr. Reddy's journey at large. Mr. MM Murugappan, Chairman, Carborundum Universal said, "Entrepreneurs like Mohan have the energy and zeal to build an organisation. I am in awe of how he has built the company, not only in India but globally and how he chose to give peopleresponsibilities across the world and PAN-India, rather than only having anopulent Indian leadership dealing with the company. What caused you to do this?"

Dr. BVR Mohan Reddy, Founder-Chairman & Board

Member, Cyient Ltd., said, "I believe, locals (across geographies) who have similarities in terms of culture, the value system, the ethos are much better in conversing, convincing and providing the comfort to a customer compared to a foreign individual. For a local, earning trust and confidence amongst the customers becomes easier."

Murugappan further asked, "This is India's moment. A large part of this audience has contributed to India's future, and a large part will be contributors to it. What does future hold for India?"

## Yamaha Motor sets up Panchayat Union Primary School near Kancheepuram

Chennai, Feb 15: India Yamaha Motor (IYM), a leading player in the Indian two-wheeler industry, reinforcing its commitment towards contributing to the development of society through enabling access to education, announced that it has helped set-up the Panchayat Union Primary School, as part of its Corporate Social Responsibility (CSR) initiatives. ## Muthoot FinCorp launches Vyapar Mitra: Collateral-free daily loans for MSMEs

Chennai, Feb 15: It is no secret that India's economic growth revolves around millions of retailers, traders, and self-employed individuals. As a mean to cater to their business growth through providing working capital and loans for business improvement, Muthoot FinCorp is introducing a novel and custom-made product, 'Vyapar Mitra Business Loans.'

With Vyapar Mitra business loans, Traders, Business owners and self-employed individuals can avail business loans based on their daily cash flow without any additional collateral. Making Vyapar Mitra stand out in the financial market, one can get business loans without Income Tax Return papers and no prior CIBIL score records. Shop owners who earn a daily income can benefit from the daily repayment option, lowering their interest outflow which makes Vyapar Mitra more attractive than bank loans. The new product also offers benefits like no pre-payment charges, loan renewals up to three times a year, simple and fast documentation, and quick disbursal of loans. Vyapar Mitra is set to be launched on the

15th of February 2023 and will be available in 3600+ Muthoot FinCorp branches across the country.

"Muthoot FinCorp has always stood to transform the lives of the country's common man and give the unbanked their first entry point to the formal banking sector through MFL. This is a custom-made product for meeting specific customer requirements, especially for the daily income groups and this time we wanted to do it for the micro and small enterprises of the country which keep our economy vibrant. I hope that 'Vyapar Mitra' plays a significant role in boosting the economy through empowering the retail traders and shopkeepers of the country," said Shaji Varghese, CEO, Muthoot FinCorp Ltd.

Chennai, Feb 15: Va Tech WABAG Ltd (WABAG), a leading player in the water technology space, has posted a consolidated profit after tax at Rs.47 crore for the quarter that ended December 31, 2022, compared with a PAT of Rs.44 crore in the year-ago quarter.

Profit before exceptional items and tax stood at Rs.60 crore against Rs.56 crore. Consolidated revenue from operations was lower at Rs.652 crore (Rs.745 crore).

Rajiv Mittal, Chairman & Managing Director, VA TECH WABAG LIMITED said, "Our focus on technology, EP, Industrial and International projects continues to lead us on the path of Profitable

Growth. We continue to be well-placed in few large Desalination and Waste Water Treatment orders which we expect to realize soon. We are also on track to continue being cash positive by end of the financial year.

I'm also happy to note that WABAG has been ranked 3rd globally by Global Water Intelligence ("GWI"), United Kingdom for ensuring safe and clean access to drinking water and healthy environment for over 88 million

people and we have also been recognized amongst the global top 10 desalination players. These global recognitions are a great testament and validation of our global leadership in the Water sector"
